## The Passion

**NEW!**

MARCUS HUMMON, WITH  
THEOLOGICAL REFLECTIONS  
BY BECCA STEVENS

Marcus Hummon is the Grammy-award winning singer-songwriter husband of 2016 CNN Hero Award winner (and popular author) Becca Stevens. Marcus has created a cantata based on narratives from the gospels — and a five-session book that gives some of the musical history of each piece as well as a reflection on its theological significance written by Stevens.

The *Passion* book may be used in conjunction with the CD or MP3, sold separately, which include twelve cuts, with six of those being songs and six being scripture readings. The

musical score is also available for separate purchase. Book, score, full CD/MP3, and individual tracks may be used individually or together, providing flexible programming options. Churches could choose to study the text during the Sundays in Lent or at weeknight Lenten evening programs, with the choir performing the piece on Palm Sunday or during Holy Week. The book and/or CD or MP3 are also perfect for personal devotional use.

## Living into God's Dream

**NEW!**

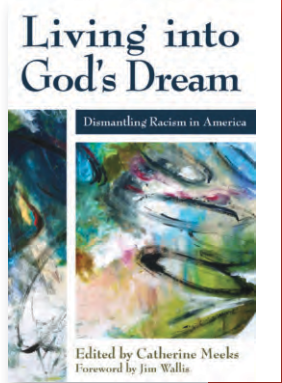

*Dismantling Racism in America*

EDITED BY CATHERINE MEEKS, FOREWORD BY JIM WALLIS

This book combines personal stories and theoretical and theological reflection with examples of the work of dismantling racism and methods for creating the much-needed “safe space” for dialogue on race to occur. *Living into God's Dream* seeks to demonstrate the ways in which a new conversation on race can be forged. The book addresses issues such as reasons for the failure of past efforts to achieve genuine racial reconciliation, the necessity to honor rage and grief in the process of moving to forgiveness and racial healing, and what whites with privilege and blacks without similar privilege must do to move the work of dismantling racism forward.
