

Welcome to our continually evolving, ever-growing website for sampling, purchasing and downloading plays, pageants, rites, and rituals to use in a church setting (both for worship and education).

What are Skiturgies? Just as the name suggests, they are skits & liturgies for faith formation!

Skiturgies are creative ways to engage children, youth, families, and adults in experiencing the Biblical story, practices and beliefs of the Christian faith. More than just a depository of Christmas pageants, for a simple, click-pay-download, you can have a pageant, play, rite, or ritual ready for your use at church, school, worship, or educational program.

You can discover what Skiturgies are available by season on the website: Late Pentecost (Summer & Fall), Advent/Christmas/Epiphany (Winter), Lent/Easter/Pentecost (Spring), or All Year (flexible for any season). Experienced Christian educators and dramatists have written all of these dramas and experiential liturgies. They have been performed in churches throughout the United States. All of them are appropriate for viewing for all ages in a variety of settings.

Within each Skiturgy you will receive a full script with production notes, including cast directions, the cast of characters, costume and set suggestions, and what ages are appropriate for the performers. An approximate performance time is also given. With the purchase of a Skiturgy, you have the rights to perform and make copies of scripts for cast members for a production in your own church.
