## Books for Advent

### **What Are We Waiting For?** *Re-Imagining Advent for Time to Come*

**William H. Petersen**

Bill Petersen argues for a liturgical renewal in the life and mission of the Church by proposing an expanded, seven-week observance of Advent, taking its cue from the shape and substance of the Revised Common Lectionary, while noting (and critiquing) the Church's complicity in the "Christmas culture."

"Bill Petersen makes a compelling case for re-imagining Advent. Readers will benefit from his wisdom as a scholar and priest, and congregations will find ample resources for an Advent season that helps them anticipate the fullness of the reign of God."
