

HIO

H stands for Honesty.

As leaders, we promise that we will be honest with you and answer your questions. If we don't know an answer, we promise to research the answer and get back to them.

L Y

**O stands for
Openness.**

We are going to be learning about God, about ourselves, and about others. We want to be open to the movement of the Spirit here among us and open to each other. Listening to each other and respecting others is a way of being open.

L stands for Learning Together.

In this program, we are learning together as people who are following Christ. As we learn together, we practice what it means to be in community together—tweens, leaders, and parents.

Y stands for Your Questions.

Your questions are very important and we want to give you the opportunity to have your questions about faith, the human body, and God answered.
